November 2007

Two District Rotarians serve at NID

By Audrey Leavitt

King of Prussia Rotary Club

On November 10, Mary Ann Schrader of the Bryn Mawr Rotary Club and I started a journey to Abuja, Nigeria with 90 Rotarians and friends from all over the United States and Canada to participate in the West Africa Project Fair and to do a NID (National Immunization Day).

We were divided into five teams and paired with local Rotary Clubs. Wednesday was spent with the Rotary Club of Wuse who took us to see several projects they had completed.

I was very impressed with the water project that they partnered with the Rotary Club of Sunbury, Pa. For \$25,000, they dug a well, put a filtration system, storage tanks and provided six spigots to get clean water.

Mary Ann Schrader of Bryn Mawr Rotary Club administers polio vaccine during NID Day in West Africa in November .

The women getting water were happy because they had clean water. They carried a 10-15 gallon container, filled with water, on their head plus a baby on their back.

The club's next project was a dorm built at an orphanage. Then we were shown two projects they are planning to do:

Polio victim in Abuja, Nigeria.

Provide a school with a Library. There was a Library but it had almost no books. Each classroom had about 50 to-60 children. They are also hoping to build a Clinic in a village. This was a very poor village. Most of the children had no clothes; however, the Chief did have a Blackberry!

We spent two days at the West Africa Project Fair that showcased Rotary Clubs from Nigeria and Chad. The Rotary Clubs highlighted completed projects which included building bridges, health education, safe blood collection, clean water, AIDS prevention, just to mention a few. Of course, they are looking for United States Rotary Clubs to partner with them.

Saturday and Sunday were NID days. We traveled one to two hours outside Abuja to small villages usually with a large Muslim population.

Audrey Leavitt of King of Prussia Rotary Club places Polio vaccine on tongue of West African youngster.

The Rotarians found that by doing meaningful projects in the villages, they could gain the trust of the people, thus making it easier to inoculate the children.

Along with the Polio vaccine, the children were getting DPT and Measles shots. As always the children loved the gifts we had; in fact, the adults wanted them too. For many children it was the first time they saw a white person. Some were afraid of us; others just starred.

Many of the villages had church services Sunday. and we were able to set up inoculations after the services. We were able to save hundred of children from the dread disease of Polio.

(Continued on Page 12)

'We are blessed to be part of Family of Rotary'

November got off to a fast start with Rotary Day at the UN on Saturday November 3 and our "Honor America" dinner on November 8. Thanks to all of the Rotarians who attended and the generosity of the Rotary Clubs in our district that placed commemorative ads, approximately \$3000 was raised for our own Gundaker Foundation. "Thomas Jefferson", "Ben Franklin", and "John Philip Sousa" paid us a visit and reminded us what makes the country we live in so great.

We had a transition in the position of District Treasurer this month as well. Now that Al Marland is our DGN, he has passed on the responsibilities to Brian Wirtshafter of the Edge Hill club. They have worked together very closely to ensure a smooth change. Our thanks go out to Al for the great job he has done over the last several years in a very demanding role. Brian is a CPA and brings many years of experience as club treasurer to the job as well.

Our GSE Committee has been hard at work planning for our exchange with District 2100 in Naples, Italy. Jane Williams of the Ardmore Rotary Club has been selected to lead our team this year and will surely represent our District and our country with dignity and class. Applications are still being accepted for team members. As a reminder, applicants must be non-Rotarians between the ages of 25 and 40. They also may not be the spouse or direct descendant of a Rotarian.

Speaking of selections, believe it or not it's time to select another District Governor. The successful candidate this year will serve in the 2010-2011 Rotary year. While it sounds far off, I can assure you that the time will be upon us before we know it. PDG Tom McCarthy is serving as chair of the Nominating Committee this year and will be soliciting nominations from each of our Rotary Club presidents in the near future. I urge every Rotarian in this district to look within their clubs for candidates interested in serving. While there is much planning and training required prior to the year, it is an absolutely terrific experience.

At the same time, each of the Rotary Clubs in our district will be holding elections to determine their own officers for the coming Rotary year. Please remember that election results are due in to RI by December 31. Rotary Club president is probably the most important role in all of Rotary. Our clubs need to nurture and encourage our future leaders and help them to be successful as possible by sending them to Rotary Leadership Institute. While the event in our district occurred this month, there are other opportunities in nearby districts.

Rotary Foundation Month is drawing to a close, but I sincerely hope that each of you will keep in your mind and in your heart the greatest tool to affect change in the world that we have, in our Rotary Foundation. Now we will

embark on Family Month and what a wonderful theme for a month that includes holidays so important to our own families. We are also blessed to be part of the Family of Rotary.

While so many wonderful things were happening in our district this month, we also suffered a loss to our Family of Rotary. As most of you know by now, Elaine Phillips passed away suddenly, earlier this month. As partner of PDG Marty, she worked tirelessly by his side to serve this district last year. Dawn and I became close friends with Marty and Elaine over the last couple of years and we will miss her very much as I know many of you will. Our thoughts and prayers continue to be with Marty during this difficult time. Donations in her memory may be made to the Rotary Foundation and sent to my address.

Greetings from the District Governor

DEADLINE FOR DECEMBER

Due to holidays, all photos and information for December newsletter must be received no later than December 9. Material received after December 10 will be considered for January newsletter. Your cooperation is essential and appreciated.

Philadelphia Rotary Cyclists ride and raise over \$76,000 for Multiple Sclerosis

The 42 riders on the Philadelphia Rotary Cycle Team which made the 160-mile ride from Cherry Hill to Ocean City and back September 27 and 28 includes Philadelphia Rotary Club members Sharon Quick, and Jack Beiter (with banner), Lou Mosca (president of Philadelphia Rotary), Bob Snow, Bill Decker, Frank Hollick, and Caroline Trask, and Rotarians Jesse Rudgunas and Mike Gillespie.

The Philadelphia Rotary Cycle Team completed the 160-mile round trip Multiple Sclerosis Bike ride from Cherry Hill to Ocean City, N.J. September 29 and 30 and raised \$76,000+ this year for research to help find a cure for Multiple Sclerosis.

In the eight years the team has

Philadelphia Cycle Team members wore jerseys with "Rotary" on the back.

made the ride, the Philadelphia Rotary Team has raised over \$300,000 for MS research.

Of the 42 persons who rode with the Philadelphia Rotary team, one mishap occurred when a rider hit some road gravel and fell, dislocating his shoulder. That rider, with his arm in a sling, registered the next day to ride with the Philadelphia Rotary Team next year.

Team leader Jack Beiter of the Philadelphia Rotary Club, says, "Hopefully we will have 100 or more riders for the September 27 and 28, 2008 event.

"Rotarians from other Rotary Clubs can ride with us and, if they don't want 'Philadelphia' printed on the front of their riding jersey, we can leave that blank. The back has a large ROTARY on it.

"In addition, we can have

bright yellow T-Shirts made up which match our riding jersey's for any Rotarians who don't want to do the ride, but want to advertise with us at the starting and ending point of the ride in Cherry Hill, or meet with us at the half way point in Ocean City, N.J. on Saturday afternoon.

Beiter points out, "This display of support for the Rotary Cycle Team will generate a lot of interest from the 8,000 other riders as well as all who are involved in the event, hopefully garnering more new members for all of our Rotary Clubs in the area. In addition, media coverage provides further promotion of Rotary."

If interested in riding with the Philadelphia Rotary Cycle Team or supporting the team contact Jack Beiter at 610-688-6212 ext. 15, or jackbeiter@e-finity.com.

Rotarians rally for Operation Warm

Led by Glen Riddle Rotarian Martha Grieco, Community Outreach Liaison at Riddle Memorial Hospital, Operation Warm continues to reach those children-in-need and warm the hearts of thousands who participate. To date, more than 20,000 coats have been given to children throughout Delaware County as a result of a partnership with Rotary Clubs, businesses, religious institutions, schools and individuals.

Delaware County's signature event to provide 5,000 children with new winter coats has been proving to be something people can feel good about. Individuals

Some of coats donated to Operation Warm at Riddle Memorial Hospital event.

know that their donations are truly helping children and families close to home, making a difference in their lives, and ensuring they can be warm this winter. Chairman Grieco points out, "With 90 percent of funds being used directly for the project, and 100 percent remaining in Delaware County, there is a comfort when people sponsor children, to realize how effectively and responsibly those funds are handled. The need is so great

in Delaware County with many families facing challenges due to health crisis, job loss or becoming suddenly homeless. Poverty figures climb, and it is happening in our hometowns."

A new twist has emerged recently, different from the first 5 years when Operation Warm provided all the coats. Today, people are donating brand new coats to the project and enclosing special cards to the children, as their own personal message of caring.

Saturday, November 17, the Hannum's Harley-Davidson Motorcycle Run to Riddle Memorial Hospital brought out 70 beautifully polished motorcycles, with each rider holding a new coat. Glen Riddle Rotary Club

On hand for the Operation Warm collection at Riddle Memorial Hospital November 17 are Glen Riddle Rotarians Martha Grieco and Daniel E. Kennedy, CEO of Riddle Memorial Hospital.

member Diane Johnson organizes and inspires this event, which resulted in an additional 55 new coats and \$550 for the project.

Among other partners are: The National Honor Society of Penncrest High School, which has sponsored an entire family with new coats, a Daisy Scout Troop which made Polar Fleece scarves to go with coats. Women's Healthcare Group of PA at Riddle Memorial Hospital, which sponsored children with their donations, and staff at the RoseTree Media School District's Education Center which gathered donations to sponsor children with new coats.

Rotarians asked to contribute at least \$3 to help fund Rotary float for 2008 Tournament of Roses Parade

Rotary Rose Parade Float Committee's entry into the 2008 Tournament of Roses Parade, "Sharing World Literacy Day," celebrates the leadership in service by Rotarians worldwide. Eight International Exchange Students on the float will represent different parts of the Rotary World. The theme is "Passport to the World's Celebrations". This is Rotary's 28th consecutive year of participation in the Rose Parade in Pasadena, California. Since this is not a project of Rotary International, no Rotary International funds are used for the float.

The Rotary Rose Parade Float Committee thanks contributors in advance for contributions, participation and continued support in efforts to show the world that

"Rotary Shares" by Sharing World Literacy Day to service in the World.

Last year, more than 1300 Rotarians and their families, Rotaract Clubs and Interact Clubs volunteered to help decorate the float. The Rotarians worked countless hours putting flowers, seeds, dried petals, and greenery on every square inch of the float. "But volunteer efforts are not enough; we need your financial support as well. We ask for your donation of \$3.00 (or more) per member to help show the world that we truly are dedicated to and believe that "Rotary Shares" In International Service," according to the committee, which added, "Thank you in advance for your contributing to your 2008 float."

Rotarians partner with many to provide warm coats for needy kids

CONTINUED FROM PAGE 4

The Franklin Mint Federal Credit Union also collected new coats and money for Operation Warm at its branches., real estate offices, sports teams,hospital departments and elementary school classes support this outreach.

Karl Thomas, a Glen Riddle Rotarian, has made it his mission, to provide for more children this year than last, by seeking sponsors at his church, from his clients and friends. Each Rotarian works within his or her networks to raise the needed dollars that ensure the goals will be met. The Glen Riddle Rotary Club also gives out Delco County Fair funds to the project to provide for 600 children at the City Team Ministries in Chester .

To learn about Operation Warm, visit the website www.operationwarm.org and make an online donation. Make sure to note "RMH" so that your dollars remain in Delaware County.

Santa arrives on a motorcycle Saturday, November 17, as part of Hannum's Harley-Davidson Motorcycle Run to Riddle Memorial Hospital organized by Diane Johnson of Glen Riddle Rotary Club to benefit Operation Warm in Delaware County. This year's run resulted in 55 new coats and \$550 for Operation Warm and brought out 70 beautifully polished motorcycles, with each rider holding a new coat when they arrived.

CDC Rotary Club hosts 'Give Your Heart Wings'

The Rotary Club of Central Delaware County is sponsoring "Give Your Heart Wings", Sunday, November 18 through Sunday, December 2, at the Granite Run Mall.

The new club project uses the magical process of Create Wish Angels™ which was created by Irish artist Audrey Shallow who was on hand for the opening program.

Through the creation of a beautiful uplifting display of angels, individuals are invited, in exchange for a donation, to create a Wish Angel, which displays personal messages of love, hope and peace. The Wish Angels and their messages will fly high on a Wish Tree at the Mall's main entrance, lower level throughout the holiday season.

This Wish Angels originated in Ireland by Swallow following 9-11 as a way of bringing people together to create a wish.

Proceeds from 'Give Your Heart Wings' will go to local and international non-profits that the Rotary Club of Central Delaware County supports including the Simon Educational Foundation's programs in Delaware County and the Hank Nacrelli Scholarship Fund.

For information about sponsorships, call Joyce Laughlin at 610-325-9358.

Gathered around Irish artist Audrey Shallow are (back from left) Richard Rapoport, Mikael Nordstrom, Rebecca Stipdonk, Shallow, Rosalie Thompson, Michael Carr, and (front) Jeanne Lee, and Joyce Laughlin.

DG Partner Dawn deFuria and DG Russ deFuria place an angel on the Wish Angel tree.

Artist Audrey Shallow, Rebecca Stipdonk, and Rosalie Thompson of Easter Seals place angels on tree.

Rotary Foundation donation requested as memorial

Elaine Locks Phillips, wife of Past 19026 District Governor Marty Phillips, died suddenly Nov. 7 in Boynton Beach, Fla. Services were November 11 in Philadelphia and Marty and his two daughters, Karen and Andrea, and the family remained in the area for Shiva.

Memorial contributions are requested for the Rotary Foundation in Elaine's memory. Checks, made out to the Rotary Foundation, can be sent to DG Russ deFuria's office at 381 Burmont Road, Drexel Hill, Pa.,

Before she retired, Elaine was a reading specialist with the Montgomery County Intermediate Unit. She joined Ardmore Rotary in September 2004 and was active with the LMHS Interact Club and was chairman of the 2006-2007 Rotary District 7450 Conference in Atlantic City. She referred to herself as "DG Partner" and was Marty's right-hand helper in his DG year. Marty's e-mail is martinphillips1@comcast.net

UN honors Rotary with 2008 Humanitarian Award

Rotarians from District 7450 were among more than 1,000 Rotary members and guests from 21 U.S. states and more than 20 countries gathered at the United Nations headquarters on November 6 to learn about why each of us must answer the call of "Every Rotarian, Every Year." Rotarians were presented with topics ranging from Rotary's support for Literacy, Water Issues to Health and Hunger challenges.

United Nations leaders representing UNICEF, UNESCO, UNAIDS, the Food and Agriculture Organization (FAO) and other dignitaries discussed their agencies, encouraged Rotary-U.N. cooperation, and praised Rotary's work with WHO and UNICEF in the global effort to eradicate polio. By 2007, Rotary will have contributed more than one-half-billion dollars and thousands of volunteer hours toward polio eradication.

A new program was added this year for youth (Rotaract and Interact) interested in humanitarian service. Panel discussions led by Rotary Peace Centers scholars, UNICEF representatives and Rotary leaders encouraged discussion on today's issues such as the environment, health and education.

Rotary International's efforts to improve water and sanitation facilities around the world received a tremendous boost when the United National Association of New York honored RI and The Rotary Foundation with its 2007 Humanitarian Award, in recognition of Rotary's significant efforts to provide safe water and sanitation and its commitment to sustainable de-

velopment worldwide.

"In the years since RI has started focusing on water as one of its annual service emphases... We've learned just how much can be accomplished with relatively little, how a single small water project, perhaps a pump or a filter, can change the life of a community," said RI president Wilf Wilkinson." However, our work has also included participation in many other major water projects."

Philadelphia Rotary presents 1000 dictionaries and thesauruses

Sheridan Elementary School principal Wanda Novales (center) is all smiles after receiving more than 1000 thesauruses and dictionaries donated by the Rotary Club of Philadelphia for her students. The books were delivered to the school by Otto Wollin (left) and Joe Batory (right). The official distribution of the books to the students will take place Thursday , December 6.

'Honor America' also honors Rotary Club presidents

'So many incredible clubs and Rotarians'

I can't believe it is the end of November already. Russ has been on the move doing his official visits to the clubs in our district and if I am invited, I get to join him as well. He is having the time of his life meeting all the Rotarians in our district clubs and learning first hand about the projects they are working on this year.

We have been invited to two great events this month in our district. First was the Media Club's Fall Fantasy Dinner with a silent auction, music from the Media Theatre and fellowship with many Rotarians. We had a lot of fun and they raised a great deal of money for their club foundation. The guest host for the event was Fox 29's Sue Serio of Good Day Philadelphia.

The Central Delaware County Club invited us to an event at the Granite Run Mall called "Give Your Heart Wings". This was an opportunity to share heartfelt messages of love, hope and peace. These messages will fly high on the Rotary's Angel of Peace Tree at the mall. Shoppers may also purchase a handmade angel ornament created by Audrey Shallow from Ireland, who will join the Rotary Club for an inspiring two-week event from November 18th – December 2nd. At the end of the event, the Rotary Club of Central Delaware County

will share the messages of peace with children and adults in other countries through international Rotary Clubs. This event had strolling musicians playing Christmas music and a local choir singing to get everyone ready for the upcoming Holidays.

On November 8, we hosted the "Honor America Dinner" at the Valley Forge Radisson. It was a great success, with 135 people attending to honor our country, our veterans and our club presidents.

The guests also had the opportunity to speak to "Thomas Jefferson", "Ben Franklin" and "John Phillip Sousa". I received many emails and phone calls telling me how much people enjoyed the evening and as I promised there were no Rotary speeches.

As December is approaching, Russ and I have been invited to several clubs for their holiday parties and I want to thank everyone

in advance for their hospitality as well as the way we have been received these last few months. Our district has so many incredible clubs and Rotarians and everyone should be thanked. I want to wish everyone a Happy Holiday Season and ask that you keep the theme of "Rotary Shares" in mind with so many less fortunate than us.

Partner's Point of View

What's happening in Rotary District 7450 Rotary Clubs

All Rotary Clubs and all Rotary District 7450 service committees are invited to display their local and global service projects at the **District 7450 Mid-Year District Assembly** Saturday, January 26 from 10 a.m. to 3 p.m. at Chester County Intermediate Unit, 335 Manor Avenue, Downingtown.

All Rotarians are invited to "Share your great works and get ideas for the future, make this your club meeting for the week, bring your family or a Rotary Club prospect and come to share good works, good fellowship, and good Rotary fun."

Joe Batory of the Philadelphia Rotary Club was the keynote speaker for the regional group of Ambassadorial Scholars headed to other countries in September.

"This was quite an honor for me and I took this assignment very seriously. Rotary was asking these outstanding young people to represent America as best they can so I wanted to inspire and motivate them and give them some pragmatic thoughts to live by for their experience in another land."

Batory shared the message with the Glenside Rotary Club November 9. His theme emphasized what he hoped we would like to share with those in other countries about the USA at its best... our idealism, patriotism, courage, willingness to admit when we are wrong, religious and racial tolerance as the law of the land, resilience, commitment, and our spirit of giving.

Wayne Rotary Club sends care package to troops

The Rotary Club of Wayne recently sent a care package to a 16-member platoon of the 1st Cavalry Division of the U.S. Army serving near Baghdad, Iraq. The Support the Troops project was chaired by Dale Pope, whose son, Evan, serves with the platoon. Rotary Club members donated funds to purchase personal hygiene items such as foot powder, chapstick, deodorant, tooth brushes, tooth paste, dental floss, shampoo, hand lotion, and more. Snack items such as beef jerky, hard candies, and cookies also were included.

Specialist Evan Pope coordinated the effort by distributing the packages to each soldier once they arrived in Iraq. The troops acknowledged their appreciation by sending a thank you letter via e-mail. The platoon is scheduled to return to the U.S. in January.

Mary Ann Cusack, president of the Rotary Club of Wayne, presents a check for the Support the Troops project to past president Dale Pope, who chaired the project. Looking on are (at left) past president Mary Lee, and Brian Yanoviak and (on right) Patrick Gurian, Connie Zachi, and past president and District Governor Nominee Al Marland.

Rotarians are 'Christmas Angels'

Westtown-Goshen Rotary Club is participating in the Salvation Army's Christmas Angel project that provides Christmas gifts to needy local children who otherwise would go without.

Westtown-Goshen Rotarians have received 28 gift tags which gives the first name of the child, their age and gender and an item of their wish list needed including the size of clothing where appropriate. Gifts will be returned at the club's December 6 meeting.

Search underway in District for Rotary Peace Fellows for 2009-11

The search for the 2009-2011 Rotary World Peace Fellows is underway and individual Rotary clubs in District 7450 are encouraged to seek out and recommend qualified candidates.

To learn more about the Fellowships visit the RI web site (www.rotary.org) or www.rotary.org/foundation/educational/amb_scho/centers Interested persons also can contact Joe Batory at josephbatory@comcast.net or 215-769-8530.

The Rotary Club of Upper Darby – Lansdowne recently honored Lansdowne Officer Daniel Donegan as "Officer of the Year". Dan started on the force in 1997, advanced to sergeant, and in 2003 he became a criminal investigator. He helped pioneer Lansdowne's bicycle patrol during his early days on the force. On hand for the presentation were (from left) Rotarians Dave Hennessey and Ken Regester, Lansdowne Police Chief Dan Kortan, Daniel Donegan, Lansdowne mayor Jayne Young, Lansdowne councilwoman Ann Hill, and Rotary Club President Patrick Lyman.

Two area Rotarians participate in West African NID

(Continued from Page 1)

This was the fourth NID I've done. Each one has been unique. When I returned from my first NID, one of my fellow Rotary Club members sent me an email. He said "The wealth support charity with a check; the educated' reason that

committed hearts and hands are doomed to fail without a government

grant; but wise men know those who stoop to help a child are truly rich." I

feel truly blessed to have had these opportunities to help eradicate Polio.
