Volume 2 Number 12

June 2008

## From Governor Russ: 'Thanks for memories'

As I write this month's newsletter article, I'm preparing for the addition of three letters to my name, PDG!

When I was first elected District Governor-Designate, over three years ago, this time seemed so far away. In between, there have been many meetings and training opportunities, many friends made, lots of laughs, and countless memories created that I will always cherish.

What makes a year successful and this role so enjoyable is the tremendous support and hard work of so many Rotarians around our district.

This includes my assistant governors and lieutenant governor Elizabeth Rhoads, all of our committee chairs, DGE Joel, DGN Al, DGND Joan, treasurer Brian, secretary Jay, all of this year's Rotary Club presidents, and the rest of the members of District 7450. Thanks to all of you for your efforts.

**(CONTINUED ON PAGE 2)**

## Iraqi boy returns home after successful operations

A 5-year-old Iraqi boy, who was brought to Pennsylvania late last year by Rotarians from District 7450 and 7430 to receive medical attention to correct a life-threatening condition, was guest of honor at the Concordville-Chadds Ford Rotary Club meeting last month at Maris Grove in Glen Mills.

Mohammed Kareem Moh Alshehabi was born without an opening to eliminate solid waste, a condition which requires corrective surgery to create one through a colostomy. He had emergency surgery following his birth in Iraq but had not received the surgery to give him normal bowel function.

Lt. Col Robert Balcavage, a U.S. Army officer stationed in Iraq for more than a year when he learned about the boy's condition, along with his brother, Rotarian Eric Balcavage, a Concordville chiropractor, and their mother, Carol Balcavage, a nurse, led the effort to bring Mohammed to the U.S.

# Thanks for demonstrating 'Rotary Shares'

I am proud to announce that District 7450 will soon have our 55th Rotary Club!, West Chester Downtown Rotary Club. We have submitted all necessary information to Rotary International for the purpose of chartering District 7450's first club not scheduled around a traditional meal. This new club meets at 2:30 in the afternoon at the West Chester Public Library. Thanks to all of those involved with getting this club off the ground, including Provisional President Carol Metzker, Extension Chair Paul Osimo, and the sponsoring West Chester Rotary Club. We look forward to another charter night in our District!

Our Group Study Exchange team to District 2100 in Italy has returned home after a very eventful month. The team led by Jane Williams of the Ardmore Rotary Club had an incredible experience. Check out their "blog" which can still be accessed from the district website at [www.rotary7450.org](http://www.rotary7450.org). Thanks to Jane and her team for representing our district so well.

On Friday, June 13, Dawn and I are heading to Los Angeles for the Rotary International Convention. We look forward to being with over 50 members from our District who will be in attendance. If you couldn't make this year's convention, it isn't too soon to begin thinking about

next year's event which will take place in Birmingham, England. Attend a convention and you will see Rotary as you've never seen it before.

As I have said the last couple of months, I hope you won't forget about contributing to The Rotary Foundation and the Gundaker Foundation. These are the best tools that we have to shape and change lives around the world.

Time is growing short to make your contribution for this Rotary year. We are working hard to reach our goal for both and have not yet done so.

The amount doesn't matter, what's most important is that everyone be part of the effort to the best of their ability.

Contributions to The Rotary Foundation must be postmarked no later than June 30 and received by The Rotary Foundation by July 7.

Thank you for all the things that you have done this year to truly demonstrate that "Rotary Shares."

This has certainly been a year that Dawn and I will remember for a lifetime and we appreciate everything that has been done by Rotarians around our District to make this year a great success!

## From Governor Russ

## West Chester DownTown Rotary Club awaits RI charter OK

West Chester DownTown Rotary Club Provisional President Carol Metzker announced this month District 7450's soon-to-be newest Rotary Club has reached 20 charter members and DG Russ deFuria "has signed our charter application that goes to Rotary International! This is a big milestone for us. Hopefully, RI will be able to process the paperwork in the

next couple of weeks and we'll be an official club."

West Chester DownTown Rotary Club meets Fridays at 2 :30 p.m. at the West Chester Public Library, 415 N. Church St., West Chester.

West Chester DownTown Rotary Club will be the 55th club in District 7450.

## Rotarians continue to support ShelterBoxes

Rotarians in District 7450 continue to raise funds for the purchase of ShelterBoxes for victims of the earthquake in China and the cyclone in Myanmar.

DG Russ deFuria has asked Rotarians to respond to both emergencies with donations to ShelterBox USA to provide a 10-person tent and equipment to house and provide for a large family for six months.

Each ShelterBox costs \$1,000.

Donations should be sent to ShelterBox USA, 8374 Market St. 202 Bradenton, Fla., 34202.

### Club Projects

Longwood Rotarian Dave Scott has offered to match funds for three ShelterBoxes in addition to one he has purchased to help relief efforts in Myanmar and China. Each \$500 in donations from club members will be matched by Scott.

Ardmore Rotary Club president John Douglas asked members to pledge funds to match a \$1,000 contribution from the Ardmore Rotary Foundation to send two ShelterBoxes to Myanmar. As a result, the members pledged \$1,3000. The extra \$300 pledged will be added to funds raised at this month's Sizzle which raises funds for International Service for more ShelterBoxes.

Douglas also reports former Ambassadorial Scholar Belkys Lopez, who is working to establish a Rotary Club in Abyei, Sudan and help the people during the latest crisis, sent the following:

*Hi,*

*I've received excellent news yesterday. ShelterBox has donated 100 boxes!!! I spoke with Tom Henderson, ShelterBox CEO yesterday. After sending him information on Abyei and our project, he quickly wrote back donating the boxes. Now we are quickly working out the logistics with ShelterBox for the transport of the boxes. I must say I was surprised at the quick reply on the request but I believe that this has much to*

**The immediate response of 800 ShelterBox boxes to China following the May 12 earthquake reached parts of the Sichuan area May 27. The four-man ShelterBox Response Team on the ground split the first consignment of boxes into two lots of 100. Another 650 tents left ShelterBox headquarters May 28 with 650 slated to leave May 29 and 700 due to leave immediately from the tent manufacturers warehouse in Shanghai. USA ShelterBox reports, "We now know that approximately 500 Boxes sponsored by U.S. donors have already been sent to China! Additionally, over 150 U.S.-sponsored ShelterBoxes have been deployed to Myanmar. Thank you to all of our volunteers and supporters for organizing this response, and for your continued support. Additional deployments are, as always, contingent on additional donations received."**

*do with the fact that ShelterBox is an organization founded by Rotarians. Things are very different when working with large humanitarian agencies. If all could be as swift to respond as ShelterBox!!! The 100 boxes will be able to accommodate 1000 individuals. Our plan is to quickly settle families so that they are productive during the crisis and may quickly make their transition...The ShelterBox contribution is a big morale boost. In times of crisis it's wonderful to see how people rally to help. We are very grateful. I can't wait till they are delivered.*

*Thank you for all of your help. I'll keep you posted.*

*Best,  
Belkys*

## 2008-2009 leadership team installation takes place June 20 before Phillies game

District 7450 will install the new leadership team at Citizens Bank Park Friday, June 20, before the game between the Phillies and Los Angeles Angels. District Governor-Elect Joel Chesney of Kennett at Longwood Rotary Club will be installed as 2008-2009 district governor along with his team of lieutenant governor and assistant governors.

Opening ceremonies are scheduled for 5:30 p.m. in the Phillies Party Tent located on Darien St. (east side of Citizens Bank Park). Longwood Rotarians Dave Thompson will be master of ceremonies, Mike Defazio will lead the pledge of allegiance and Bob Kane will offer the prayer.

A brief program of installation will follow the buffet dinner at 6:15 p.m. Thompson will introduce DG Russ deFuria and PDG Mark McGill will introduce Chesney. Game time is 7:05 p.m.

The Phillies are handling all ticket reservations through the Citizens Bank Park ticket office. Contact Kathy Killian at 215-463-5000, ex. 5304. Free parking will be available on the Darien St parking lot. No one under the age of 15 will be permitted to attend the

installation event. For further information, contact Chuck Killian at 215-743-1650 or r-way@erols.com.

## Joel hands in batting lineup for 2008-09

My fellow Rotarians,

This year as it is every Rotary year, July 1 is a new beginning. This year we will see a change not only in District Governor but at some very important committee chairs: PDG Russ deFuria as Rotary Foundation chair; PDG Bob Lankin at membership; Chuck Killian of Frankford-Northeast Philadelphia at Lieutenant Governor; Karen Straw-hacker of Glenside Rotary Club as Group Study Exchange chair; and Charles Streiwieser of West Chester Rotary Club for the most challenging for Vocational Service chair.

Let us not forget our important Assistant Governors: Tim Birch, John Washington, Mollie Shiflet-O'Brien, Robert Latshaw, Arthur Klein, Cynthia Lyman,

Doreen Storey, Samantha Kranyak-Ramsey and Bonnie Korengel.

Let's get behind these leaders and help them and our district have a good year. This year, as in most years, we are challenged by our need for new and productive membership, a downturn in lost members, and the eradication of polio worldwide.

Let us all stand together to "Make Dreams Real".

In the future, I will let all our members know about the projects we will try to implement and see accomplished. See you at the installation and game,  
Yours in Rotary,

Joel Chesney, DG 2008-2009

# GSE team reports month-long trip to Southern Italy a 'life-changing experience'

By Jane Williams

GSE Team Leader, Ardmore Rotarian

On Monday, June 2, 2008, the District 7450 Group Study Exchange Team to Italy returned to Philadelphia after a month-long exchange to Southern Italy. The team was hosted by District 2100, consisting of 73 Rotary Clubs and 3,800 Rotarians in the provinces of Campagna and Calabria.

Team members were Martina Martin, an attorney with Askot, Weiner & Cohen, Philadelphia, and sponsored by the Rotary Club of Newtown Square; Nick Fortunatus, executive director of the Media Youth Center, sponsored by the Rotary Club of Media; and Jason Kline a software manager and geographer with Navteq, sponsored by the Rotary Club of Kennett Square. Team Leader was Jane Williams, marketing consultant, and a member of the Rotary Club of Ardmore.

Nick Fortunatus reports, "The opportunity to experience a different culture so intensely for an extended period of time was truly an extraordinary life-altering experience. Being able to visit and be entertained by Rotarians in their homes and in their clubs, to observe their culture, to travel with them to their treasured local sites, museums, churches, monasteries and tourist areas was absolutely amazing. We even were taken to their favorite out-of-the-way restaurants that featured local cuisine. These were places a tourist would never have found or experienced. In fact, at one local restaurant in Campagna,

famous for its different kinds of pizzas, I even made one myself."

Martina Martin adds, "The vocational experiences were very interesting for me. We visited several courts, spent a lot of time with Rotarians who are attorneys, and I even stayed with a family of lawyers. We discussed the differences between our rule

of law and I found it extremely fascinating that their rulings are based on statutes and not case law as in the U.S. In Naples, we visited the Tribunale, a new complex of buildings entirely dedicated to the court system for the city and the region appeals court. There we observed both civil, criminal, and appeal proceedings, including one group of men being arraigned on drug charges."

Jason Kline says, "It was an amazing experience to be in the country from which my grandparents immigrated, and to visit the very

Visiting the kiwi farm of Rotarian and District 2100 secretary Rodolfo Inderst in Calabria are (from left) Rodolfo Inderst, GSE team leader Jane Williams, Battibaglia Rotary Club president Dr. Gaetano D'Aniello, and GSE team members, Jason Kline, Nick Fortunatus, and Martina Martin.

same areas where they lived was very special. To spend time with the Italians who stayed behind was also wonderful. It was an experience that a tourist would never have. Being a wine maker and an avid gardener, I particularly enjoyed visiting the winery of Giancarlo Calise, District Governor for 2100, and the local agricultural school in Campania where the wine tasting proved to be a real delight and wine was wonderful. We even had an impromptu piano concert by one of the teachers at the school. I also enjoyed visiting a kiwi farm, a strawberry and melon farm,

*(CONTINUED ON PAGE 11)*

## Rotarians make difference in boy's life

*(CONTINUED FROM PAGE 1)*

The mission was planned after Rotarian Eric Balcavage learned about the boy's condition after he received a photo of Lt. Col. Balcavage with the boy on his lap. Eric Balcavage and his mother, Carol, worked through colleagues and a network of medical personnel who agreed to donate their medical services after which Lehigh Valley Hospital agreed to provide the surgery at no cost.

Rotarians in the two Districts 7745 and 7430 helped with finances not only for the boy but his escort and for the guardian who was responsible for him while in this country. In addition, past RI President Bill Boyd donated the tickets for the flight to the U.S.

The boy underwent two successful operations during his stay: one to create an opening for excretion and a second, six weeks later, to close up his colostomy and ileostomy.

Last month's visit to Concordville-Chadds Ford Rotary Club was to say good-bye to the youngster and to give the Rotarians the opportunity to wish him well.

The Rotarians also gave a standing ovation to Amel Yahya of Lehigh County, a Muslim mother of three sons who was the boy's guardian during most of his stay. She has family in Kuwait and one of her sons served in the Marines in Iraq. She stepped up and took over the guardianship after the woman who accompanied the youngster from Iraq wanted to return to Iraq after a short time in this country.

**Together at Concordville-Chadds Ford Rotary meeting are Rotarian Eric Balcavage, Mohammed Kareem and Amel Yahya of Lehigh County, a Muslim mother of three sons who was the boy's guardian during most of his stay in Pennsylvania.**

The youngster left soon after the Rotary Club luncheon to return to Iraq and his father, brother and pregnant stepmother in Iraq.

Lt. Col. Balcavage, who was stationed in Alaska upon his return from Iraq recently was reassigned to duty in Louisiana with his unit.

### **Counselors sought to help inbound ambassadorial scholars**

Edge Hill Rotarian John F. Washington, chairman of inbound ambassadorial scholars, is looking for Rotarians to serve as of counselors for the academic year.

Counselors serve as liaisons to help locate housing, meet the scholars at Philadelphia Airport, help in establishing a bank account in conjunction with the scholars so that the check from Rotary International can be deposited, check on their academic progress during the semesters, transport the scholars

to the mandatory LINK Training in Valley Forge in September, invite scholars to speak at Rotary Clubs to fulfill their obligations to Rotary, and take them to dinner or cultural venues or other events and sites in the District area, etc.

Rotarians with questions can contact John F. Washington Jr. at 215-898-9003; 215-576-7654; or by email at: [johnfw@publicsafety.upenn.edu](mailto:johnfw@publicsafety.upenn.edu).

**Kennett Square Rotary Club Pink Babe team:**

**Raises \$3,000 for cancer awareness**

Kennett Square Rotary Club's Pink Babe team walked and ran a 5k Race Sunday, May 11, to support breast cancer awareness in honor of "Babe" Arden, wife of Kennett Square Rotary Club President Terry Schreep. Brunch was served at Babe and Terry's house for the team and supporters following the race. Among members of the team are District 7450 Lieutenant Governor and Kennett Square Rotarian Elizabeth Rhoads (back row,

third from left), "Babe" Arden, who is holding the team sign, and Pink Babe organizer and Kennett Square Rotary Club Secretary Bronwyn Martin, (front row, right). President Terry Schreep took the photo. Babe's daughter was in from Spain to run along with Babe's sister, a cancer survivor from Delaware. Rotarians who didn't walk donated money. Altogether, \$6,000 was raised for the breast cancer walk.

\*\*\*\*\*

Kennett Square Rotary Club Past-President Al Schmitt, his wife, Fancia Schmitt, and daughters Anna-Belle, Christine, and Charlotte Schmitt walked in support of The Pink Babe team. The Rotary emblem was proudly displayed on the back of the Pink Babe t-shirts.

# Glen Riddle and Concordville Rotarians host 32nd Annual Delaware County Fair June 4-7

## Mixed emotions as Rotary year ends

Well, here it is the month of June. This is the last time that I will be writing the "Partner's Point of View". To be honest with you, I'm a little sad that Russ's year is over and I will miss telling everyone each month about the great experiences we have had visiting the clubs in our District. I will miss the fellowship and all the events that Russ and I have been invited to, as well as hearing about the projects your clubs have accomplished in this Rotary year.

As I have been writing every month, this Rotary year has been fun and unbelievable! The friends we have made will be friends for a lifetime. District 7450 has so much going on; we should all be proud of what has been accomplished this year. This year's theme of "Rotary Shares" was perfect because everywhere Russ and I traveled, everyone "Shared Rotary" with us and truly made us feel part of the "Family of Rotary".

As I'm writing this article, our family is preparing to travel to Los Angeles for the RI Convention and we can't wait. This is our fifth Rotary International Convention where we have such a great time seeing old friends, roaming around the House of Friendship and attending the plenary sessions.

If you have never been to a Rotary International Convention, you should plan to attend one in the future. There you will meet people from all over the world and after one convention, you will feel the energy that each and every Rotarian brings along with them to the convention.

We all have the same goal of "Service above Self" and you can connect with Rotarians in other areas of the world who have similar hobbies or interests, share ideas and develop service projects.

The month of June is Rotary Fellowship Month and what better way to enjoy fellowship than attend the Rotary International Convention and find fellowship (international or local), friendship and service among Rotarian interest groups.

In July 2009, I will begin serving as president of the Greater West Chester Sunrise

Rotary Club. What a learning experience I have had this year to better prepare me for that role.

I have been fortunate to attend so many clubs in our District and I will take ideas that I have learned this year to help lead my own club.

Thanks for a great year and remember to "Share Rotary" with everyone you come in contact with....they will thank you!

**Partner's Point of View**

**By  
Dawn  
deFuria**

### News from District 7450 Rotary Clubs

The **Rotary Club of Paoli-Malvern-Berwyn** was blessed with a sunny day May 29 for its 11th annual golf outing at Westover Golf Club, Jeffersonville. The outing was rescheduled from May 9 when a storm blew in and caused a postponement.

A total of 90 golfers shared in the fellowship and fun, and helped make this the biggest fundraiser in PMB's history with golfers from Ardmore, Chesterbrook, Haverford, Kennett at

Longwood and Newtown Square Rotary Clubs. Golfers from Kennett Square Rotary Club scored best and took home \$500 for the charity of their choice.

\*\*\*\*\*

**Swarthmore Rotary Club** expects this year's Fun Fair will raise around \$21,000. Since its inception in 2002, the annual Fun Fair has raised over \$100,000.

## Philadelphia Rotary Club receives \$2,500 'matching grant'

The Rotary Club of Philadelphia has received a "matching grant" of \$2500 to support the 2008 Summer Writing Camp conducted by The Philadelphia Writing Project (PhilWP). The Philadelphia Rotary Foundation committed \$2500 for this project last December.

"We are very grateful for the generosity of the Rotary Club of Philadelphia and District 7450 in providing the funding that will make this effort possible for some wonderful young people this coming summer," said Vanessa Brown, director of The Philadelphia Writing Project. "It is our hope that we can refine and enhance what we have learned about our pilot Summer Writing Camp project last year and improve and enhance our efforts with students in the summer of 2008."

A 2007 pilot program, funded by Philadelphia Rotary Club in 2007, enrolled students from all around Philadelphia at the High School for the Creative and Performing Arts which donated classroom space and

the use of its computer lab. The pupils were challenged to write and share poetry, research and create Op Ed pieces, and generate autobiographical and memoir materials.

"What impressed me about seeing this project in action was the structure and intensity that surrounded the learning activities," notes Philadelphia Rotarian Joe Batory, an educational researcher and a former superintendent of schools, who visited the program while it was operating. "All of the students were academically engaged and receiving plenty of personal "hands on" guidance and expertise from the PhilWP staff as well as many opportunities to create and interact."

Lou Mosca, Philadelphia Rotary Club president, points out, "With the emphasis on literacy initiatives by Rotary International, I think that our club's subsidizing of this camp is a great fit into the overall Rotary agenda and District 7450's matching grant is a great addition."

## GSE team says trip was 'life-changing experience'

*(CONTINUED FROM PAGE 5)*

Jane Williams concludes, "This Group Study Exchange program is one of building bridges between cultures but also about building friendships. The Italian Rotarians welcomed our Team with open arms and were so warm, hospitable, welcoming, and generous that we cannot begin to repay them. Our hope is that the many invitations we extended for them to visit us here in the states gives us the chance to reciprocate.

During the month we visited or spent time with Rotarians in 27 different Rotary Clubs in District 2100 and made many friends in Italy. We started out on the beautiful East Coast of Italy in Catanzaro, and then moved to the West Coast (just 35 km away) where we visited Rotary Clubs based in the many beach towns and resorts. From there we traveled to their District Conference in Paestum, a site of the most well preserved Greek ruins outside of Greece.

Their district conference was well attended with about 350 people and we had an opportunity there to give a short presentation about ourselves and our district to the General Assembly. Then we visited Avellino (inland), the Amalfi coast, Capri and spent the next weekend at the all-Italy Rotaract conference on the island of Ischia. More than 200 Rotaractors

from every district in Italy attended and we had the opportunity to see a display of some of the service projects of various clubs. Two Rotaractors we met are going to the convention in LA and hopefully will meet up with District 7450 Rotaractors who will be there.

From Ischia we traveled by boat to Naples where we spent the final week visiting the amazing and extensive archeological and art treasures of the city as well as most of the 9 Rotary clubs located in the city of Naples.

As I search for one word to describe the GSE experience, I am having difficulty finding one that is adequate enough, so let me list some words that seem to fit: enriching, important, mind-expanding, exciting, rewarding, enlightening, worthwhile, stimulating, exhilarating, significant.

I encourage you and your Rotary Club to get involved with Group Study Exchange next year when the exchange will be with a district in the Philippines. You can start by identifying a worthy young, non-Rotarian professional between the ages of 25 and 40 whom you could propose as a team member. This person cannot be a lineal descendent of a Rotarian.

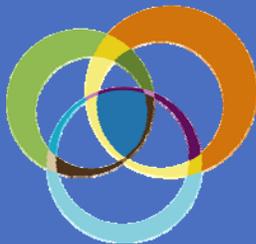

Or decide as a club to apply to be a host club for the incoming team. Or lastly, think about applying to be the Rotarian Team Leader. It is a life-changing experience!"

## Where's my newsletter?

If you know a Rotarian asking where his or her District Newsletter is, we are asking Rotarians who have access to computers and the Rotary7450.org website to take a few minutes and print a copy (or two or three) of the newsletter and give them to the Rotarian(s) who asked the question.

And if you know there are members in your club who are not computer savvy, we ask you to print copies and place them on the sergeant-at-arms table.

Thank you.
