DISTRICT GOVERNOR NOMINEE

PETER MARDINLY

GOVERNOR NOMINEE 7450 2017-18
ROTARY CLUB OF MEDIA

Peter A. Mardinly has been selected as the “District Governor Nominee” to serve as District Governor in 2019-2020.

Peter and his wife, Sue, are native Philadelphians, who have lived in Concordville, PA for over thirty years. They have two children, Alan and Shaina, who were active in Garnet Valley Interact.

Peter has been an active Rotarian for thirty-five years and founded the Rotary Foundation of Media. Peter served as Media Rotary Club President 1997-1998 and is currently serving on the District 7450’s Board of Directors, 2013-2016. Twice Peter as Secretary of Rotary District 7450 (PDG Cadorette and PDG Bronson).

Peter and Sue married shortly after he joined Rotary. She is a Rotarian, and is serving her second term as President of the Rotary Club of Concordville Chadds Ford. Peter’s professional career as an attorney has included the Presidency of a law firm in Media where he is now “Of Counsel” and General Counsel for a commercial real estate firm with substantial holdings in Florida (where Peter is also licensed to practice law).

Peter is Past President of the Delaware County Attorney-CPA Forum. Among many other volunteer activities, Peter has served on the Board of Managers of the Rocky Run YMCA (since 1992), and served as the Chairman of the Building Committee from its beginning in doing the planning prior to construction through its opening and first expansion (and still serves on that committee). Peter and Sue have also been active Board members in the Darlington Fine Art Center.

Plant-a-Tree Goal for D-7450 Clubs

“Plant one tree in your community for each member of your club, by Earth Day - April 22, 2018”

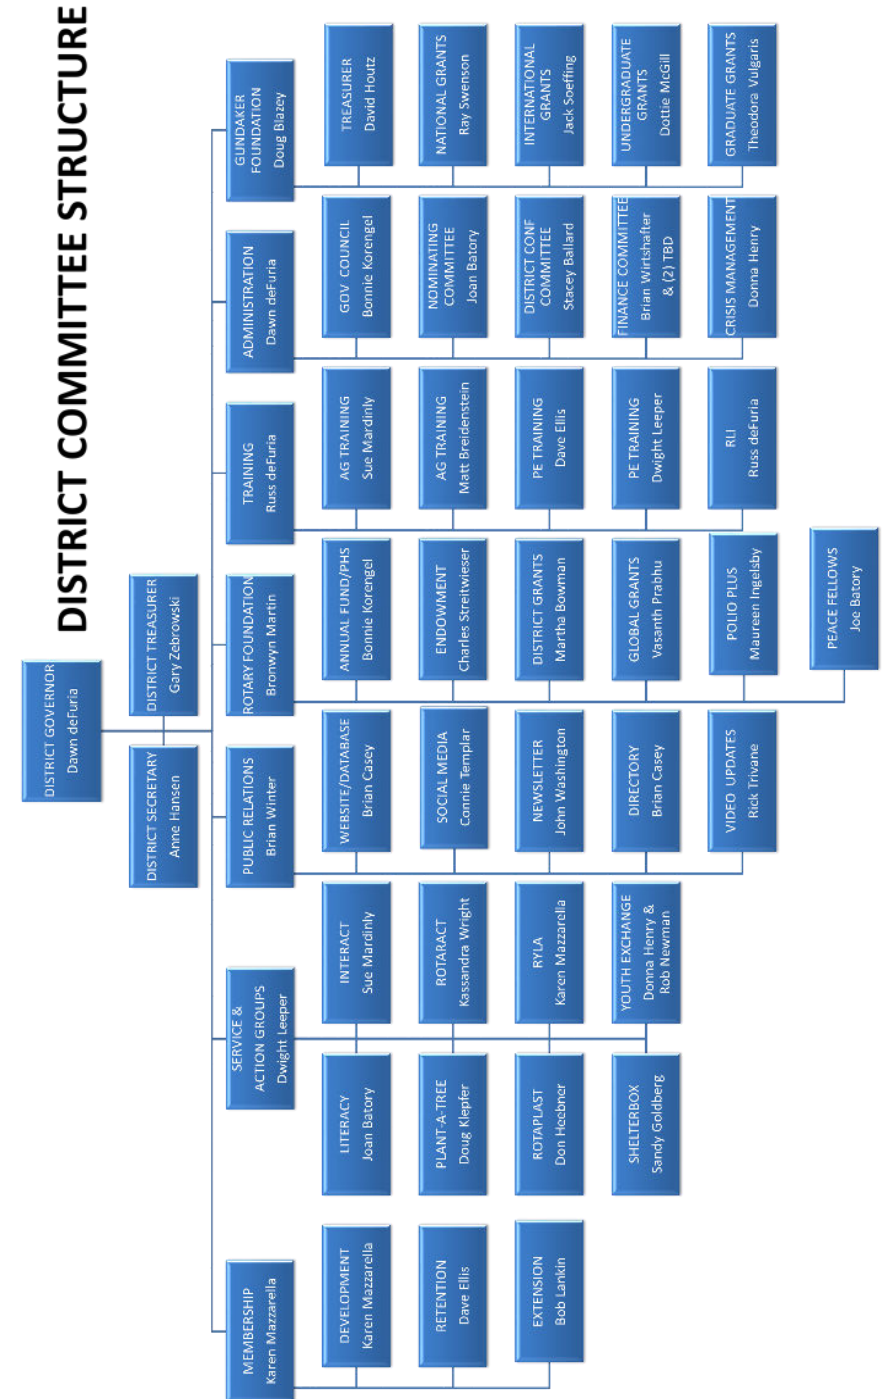

Rotary International President-Elect Ian Riseley made the case on Monday January 16, 2017 that protecting the environment and curbing climate change is essential to Rotary’s goal of sustainable service.

Environmental degradation and global climate change are serious threats to everyone, Riseley said. “They are having a disproportionate impact on those who are most vulnerable, those to whom Rotary has the greatest responsibility. Yet environmental issues rarely register on the Rotary agenda,” he said.

Environmental degradation is one of the major threats listed by the UN’s High-level Panel on Threats, Challenges, and Change.

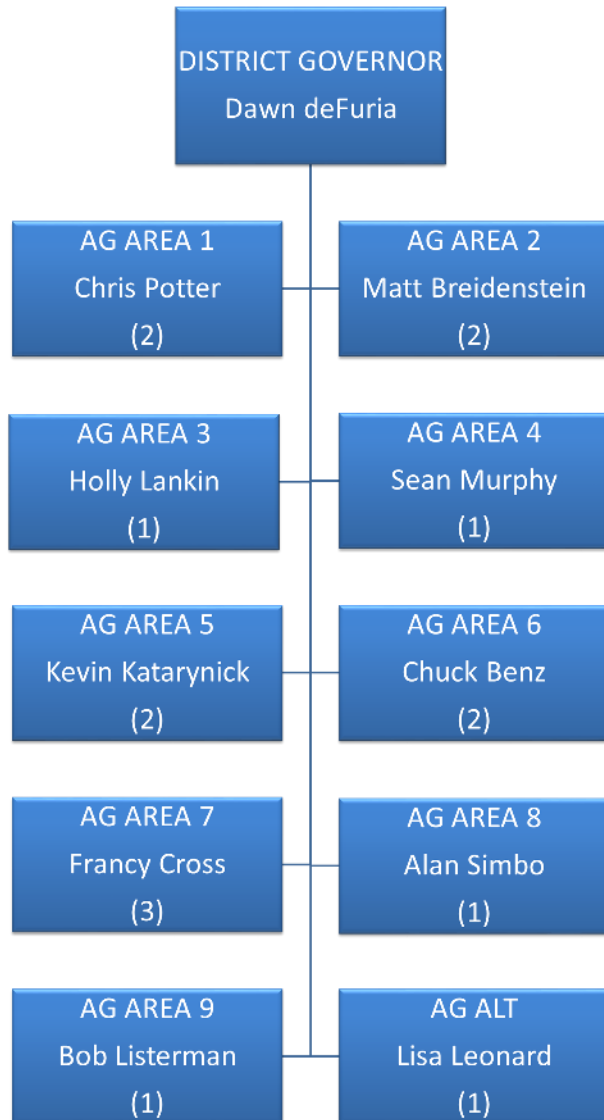

Riseley added, “The time is long past when environmental sustainability can be dismissed as not Rotary’s concern. It is, and must be, everyone’s concern.” The president-elect challenged every Rotary club to “**Make a Difference**” by planting a tree for each of its members between the start of the Rotary year on 1 July and Earth Day on 22 April 2018. Trees remove carbon dioxide and other greenhouse gases from the air, which slows global warming.

“It is my hope that the result of that effort will be far greater than the environmental benefit that those 1.2 million new trees will bring,” Riseley said. “I believe the greater result will be a Rotary that recognizes our responsibility not only to the people on our planet, but to the planet itself.”
