

DISTRICT 7450

Rotary Leader

Volume 3 Number 11

May 2009

Message from DG Joel

My Fellow Rotarians:

As we wind down the 2008-2009 Rotary year and reflect on our achievements, let us be mindful of the continuing need to produce great results for District 7450.

DGE Al Marland is preparing to take the reigns as of July 1st. Al and his team have worked diligently to put in place the incoming presidents and members for offices within the District.

Joyce and I will be heading to Birmingham, England for the Rotary International Assembly in June where we are looking forward to meeting new Rotarians as well as friends we have made along the way.

In my final DG message for the June newsletter, I will sum up our yearly results and make a final report.

Yours in Service above Self,
Joel Chesney, DG

Installation dinner for DGE Al Marland is Monday June 15th at Margaret Kuo's, Wayne. See page 14

Chichester Rotarians golf for scholarships

Included in the 27 teams of golfers who competed in the second annual Chichester Rotary Club benefit golf day are three generations of Ozers (from left) Andy Ozer, Chichester Rotary Club president George Ozer and Ted Ozer. (far right) Dr. John Doherty, a family friend.

This year's outing raised \$10,000 for the John Kaczinski Memorial Scholarship Fund. The winning golf team for Chichester Rotary Club's golf day included (from left) Kris Donohue, Shark Howey, Rich Brandel, Keith Mastronardo, Jeremy Gates, Coach Rotarian Frank Sill, Eric Stuyauvitch,

PDGs, DG Joel, DGE Al gather to honor Dan

Eight PDGs joined DG Joel Chesney and DGE Al Marland at the gravesite services at Ivy Hill Cemetery in Philadelphia and luncheon at North Hills Country Club in North Hills. They are (back row, from left)

(back row, from left) Jack Grant of Newtown Square Rotary Club, 2003-04; Hogie Hansen of Ardmore Rotary Club, 1993-94; Andrew Pendleton of Phoenixville Rotary Club, 2004-05; Russ deFuria of Upper Darby-Lansdowne Rotary Club, 2007-08; DGE Al Marland of Wayne Rotary Club,

2009-10; (front row) Bob Lankin of Northeast Philadelphia Sunrisers Rotary Club, 2005-06; DG Joel Chesney of Kennett at Longwood Rotary Club, 2008-09; Mark McGill of Coatesville Rotary Club, 1991-92, and Thomas McCarthy of Glenside Rotary Club, 1987-88.

2002-2003 District Governor Dan Guyon dies

Past District Governor Dan Guyon (2002-2003) died of cancer, April 25, 2009, three days before his 70th birthday. He never married, and was blessed to enjoy the lifelong company of close friends, fishing buddies, thoughtful neighbors, and fellow members of Rotary International.

He was retired from a career in commercial banking and devoted countless hours to community service through the Rotary Club of Glenside where he had been a member since 1987. He thoroughly enjoyed helping others and channeled his commitment through Rotary.

He served as president of the Rotary Club of Glenside in 1997, and as District 7450 governor in 2002-2003.

As treasurer for the Unmet Needs Committee for the Abington Township flood disaster relief effort, he not only disbursed funds, he also delivered supplies and personally helped make

repairs at the homes of flood victims.

He was a graduate of Ursinus College and the Stonier Graduate School of Banking at Rutgers University, and pursued advance studies at the University of Pennsylvania Wharton School.

He was a past deacon of the First Presbyterian Church in Flourtown, and served in the United States Army.

He enjoyed fishing, tennis, billiards, American history, particularly Civil War history, and travel.

Services were April 30 at Ivy Hill Cemetery in Philadelphia followed by a lunch and remembrances at North Hills Country Club in North Hills.

Memorial contributions can be made to the "Rotary Foundation," care of the Rotary Club of Glenside, P.O. Box 362, Glenside, PA 19038.

West Chester Rotary Club hosts International students

Three West Chester University students, (from left) Viral Patel of India, Anna Malinowska of Poland, and Anne Okelo of Kenya are introduced by Lloyd Roach and Ed Malet at the International Student Picnic hosted by the Rotary Club of West Chester. The

three graduate students were winners in a contest to meet Rotarians at the picnic. Malet was chair of the annual picnic and Roach helped introduce the contest win-

ners. Over 40 international students attended, as well as a like number of Rotarians and several WCU faculty members.

'WEGO' Online Auction underway

Westtown-Goshen Rotary Club is conducting the "WEGO" online auction on eBay now through June 12. Proceeds will benefit Doctors Without Borders, Children's Malnutrition Program and RI's Polio Plus.

Items will be added weekly to the list of auction items which includes beach house rentals, golf outings, gourmet dinners, art works, restaurant/merchant gift certificates, jewelry, old coins/stamps with a minimum value of \$25.

District 7450 Rotary Clubs interested in participating in the auction or dropping off items for sale can contact Larry Whitaker at Larry, Whitaker@Motophoto.net ;610-431-

PDGs Remember Dan Guyon

On hand at the gravesite services and memorial luncheon at North Hills Country Club to celebrate PDG Dan Guyon's life were PDG 7390 Charles Cenkner, PDG 7040 Carolini F. King, and PDG 7500 Larry Minerell who served as DG the same year (2002-03) as Guyon.

Donate your unused musical instruments

Ardmore Rotary Club, in partnership with Musicopia Inc., continues to ask District 7450 Rotarians to search their homes for unused and unwanted musical instruments which can be refurbished and distributed to elementary schools in Chester and Philadelphia.

For the past three years, Ardmore Rotary has been collecting old, unused and sometimes forgotten instruments which Musicopia Inc. has cleaned and repaired and distributed first to Meade School and two nearby schools in North Philadelphia and this year an elementary school in Chester.

Rotarians who have instruments, can contact Musicopia executive director Denise Kinney for pickup or delivery of instrument at nfo@musicopia.net.

Meade School musicians enjoy making beautiful Music with recycled instruments

Thanks to Ardmore Rotary Club and Musicopia Inc. Meade School students are developing previously untapped musical talent on recycled instruments. The Meade School Orchestra and String Ensemble presented its third concert for Ardmore Rotarians May 7 in Haverford. The string musicians featured two sixth graders, Frances Muzon and Isis Staley (at left) who qualified for all-District Orchestra, a first for the Meade School.

RI releases updated 'This is Rotary' video to tell the story of Rotary

RI announces "This Is Rotary", a 27-minute compilation of short videos which tell the story of what Rotary is and does around the world is available for use as an inspirational

club program or shared as an introduction to the organization for prospective members. The video is available at www.rotary.org or on **YouTube**. Rotarians are also en-

couraged to ask their local cable access station to air all or part of the DVD. "This Is Rotary" can be broadcast as one 27-minute program or as individual videos

Philadelphia Rotaractors host Cherry Blossom Gala

The Rotaract Club of Philadelphia hosted the Cherry Blossom Gala April 23 at the Triumph Brewing Company in Old City, Philadelphia. This year's Gala raised support for an international project called Adopt a Village (AAV).

AAV is an international effort to raise a village out of poverty. It was started by a Rotarian from the Rotary Club of Sebastopol, California. The California Rotarians partners with a Rotary Club in an impoverished region of the world, who then selects, surveys, and contacts a local indigenous village. The US-based Rotary Club promotes and collects funding for a specific village. In 2008, at the height of its publicity, the founder presented the project on "Rotary International at the UN Day."

The Philadelphia Rotaractors are partially sponsoring a village in Uganda, Africa, called Mbazzi. It is made up of approximately 1200 people. AAV will use the donations along with others to improve on three main components of the village's life: Education, health and hunger, pillars of Adopt of Village. AAV believes that one cannot be achieved without the other two elements.

To raise funds for this project, the Philadelphia Rotaract Club organized the Cherry Blossom Gala at which guests enjoyed wine and beer at the bar and display-style hors d'oeuvres. With the cooperation of international and local artists, paintings and photographs were hung and were bid on in the silent auction or purchased for the full price.

In addition to the silent auction featuring art-

Among those at the Philadelphia Rotaract Club's successful Cherry Blossom Gala last month are Maya Fridman and C.W. Thomas Dixon and Kate and Bess Werner.

work, guests could bid on donated items from local businesses including theater tickets, sports tickets, spa baskets, wine arrangement and others.

Halfway through the evening, additional revenue was generated by auctioning a date with one eligible bachelorette and bachelor. Rotaract Club of Philadelphia gave complimentary Philadelphia Museum of Art tickets to the highest two bidders.

The Philadelphia Rotaract Club made over \$1,300 that will benefit Adopt a Village.

Rotaract Club of Philadelphia, based in Center City Philadelphia, meets once every two weeks. For more information, visit the website, www.rotaractphilly.org.

Checking over items on the Silent Auction table is Frank Hollick, past president of Philadelphia Rotary Club.

Kennett Square Rotarians receive 'Thank you' card

Students from Mary D. Lang School in Kennett Square created the oversized Thank You Card (right) for Kennett Square Rotary Club for the 300 dictionaries which the club has donated to the third-graders. Rotarian Al Schmitt is chairman of the Dictionary project which the Rotary Club has sponsored for six years.

Broomall Rotarians host Junior Olympics

One hundred or so boys and girls participated in athletic events at the Broomall Junior Olympics on Broomall Field at Memorial Park, sponsored by the Broomall Rotary Club for the fifth consecutive year. Children from three to ten participated in long jump, running and ball-throw contests. Everyone received a gold, silver or bronze medal or a participation ribbon for his or her efforts. There was no fee or request for donation at the occasion, which was open to all children.

According to Broomall Rotary Club president Tom Barnes, "This is truly a community

activity. Dozens of parents turn out with their children for a wholesome good time. It is rewarding to see so many people give of themselves for the enjoyment of others."

Assisting the Rotarians in the events were two dozen students from the Marple-Newtown High School football team and the Marple Newtown High School Interact Club. In addition, free hot dogs, pretzels and beverages were provided by Mrs. Marty's Deli; custom made T-shirts were given by B & E Sportswear; and the medals were donated by Leefson Tool & Die Co.

Kennett Square Rotary Club honors Trooper Iwaniec

Kennett Square Rotary Club selected State Trooper Kenton (Kent) Iwaniec, who died last year in a DUI accident, its Trooper of the Year. On hand for the presentation at dinner at the Hilton Garden Inn in March, are (from left) Michael Houck, Acacia Houck, Ken Iwaniec, Debra Iwaniec, Ashley Iwaniec, State Trooper Lt. Shelton Sneed, and Rotarian Steve Pember, who has chaired the award for several years.

Polio Plus contributions total \$63,913.37

Cindy Petty, chair of the District \$100 Million Challenge Sub-Committee, reports that District 7450 has surpassed its first year contribution goal with a total of \$63,913.37 through May 13.

However, Petty adds, "The not-so-good news is that 19 of 55 clubs have not yet made a contribution to the Challenge.

In addition, another 18 clubs who have given this year have not met the target of \$1000 for the year.. Imagine what we could do if all clubs participated in this challenge. WOW!"

Clubs can download the contribution form from the Rotary Foundation.org website and check off "PolioPlus and designate" \$100 million challenge" to ensure the contribution is properly recorded.

Petty adds, "Don't wait until the last minute. Rotary Foundation gets inundated with end-of-year donations. Make sure your club's donation gets counted for this Rotary year."

If you need help, contact Petty at 610-459-3302, 610-633-3011; cynthia-petty@verizon.net.

What's happening in District 7450 Rotary Clubs

Golf Outing May 22

West Grove-Avondale Rotary Club will conduct a golf outing fundraiser on Friday, May 22, at Chisel Creek Golf Club. Contact Dan Danese for additional information and send your "golf cards" by May 20. Solutions, c/o Dan Danese, 200 S. Union Street, Kennett Square, PA 19348; ddanese@legacysolutions.org).

Literacy Symposium

Kennett Rotary Club sponsored its first Literacy Symposium April 21. Club president Eleanor Sylver kicked off the program which featured panelists Susan McCardle, Janine Pressloid, Kathleen McLaughlin and Joan Holliday who discussed literacy issues in Southern Chester County. DG Joel Chesney, AG Bonnie Korengel and Kennett at Longwood Rotary president David Harandon also participated.

Rotaplast team reports from Guatemala City

Final Day in Guatemala City, 2009

Today, May 9, 2009, the last full day of this mission, went by in a flash. Fifteen surgeries were conducted but none was complex. Because we will be traveling tomorrow, Dr. Johnson only scheduled the simplest procedures for this final day of surgery, which require minimal recovery.

Now that there have been a few confirmed cases of swine flu in Guatemala, the hospital was very strict about everyone wearing face masks....or at least trying to make everyone wear one.

Dr. Paul Quintana gave his daily departing-nutrition and post-surgery talk to parents and children this morning. Dr. Quintana patiently described to the mothers and fathers (in fluent Spanish) how to take care of their children following surgery--wound care, diet, etc. He used the opportunity to instruct the parents on basic nutrition (balanced diets, less Coca Cola), wean children from the bottle, and so forth.

When he had answered the last question, the children (and the parents) were ready for discharge.

On Day Six, we posted a photo of Hilda, a courageous 17-year-old single mother, and her darling daughter while telling their story. Now we can tell the rest of the story. Cyndie George first spotted Hilda in the ward and took special care of her, as Hilda was the youngest mother and had traveled three hours with her daughter by bus.

Cyndie and the webmaster talked about how beautiful Hilda was and what a shame it was that she was missing her front three teeth. Cyndie and the webmaster wished that Dr. Dugoni could fashion teeth for Hilda. Cyndie set the wheels in motion and explained Hilda's plight to our dentist. Dr. Dugoni examined Hilda and decided that he could fashion something with the equipment he had brought from San Francisco. Hilda refuses to explain why several of her teeth are missing; the remainder of her teeth are very healthy. Cyndie

slipped Hilda a small sum that would cover a return bus ride. Between Day Six and today, Dr. Dugoni worked his magic and created a retainer-type device with teeth.

This morning we nervously awaited her arrival. Paola Ferrate called and confirmed that Hilda and her baby were enroute. The bus ride normally takes three hours, but today it took Hilda five hours. She arrived at 3 p.m. just as the mission team was finishing packing. So Paola Ferrate, Jennifer Lindberg, Cyndie George, Dr. Dugoni (now known as the tooth fairy) and photojournalist stayed behind to see Hilda fitted with her new teeth. As Dr. Dugoni said: "No patient left behind." And just look how beautiful Hilda and her daughter Kristel now look. Mother and daughter both face a more optimistic future.

Our last evening concluded with a farewell ceremony hosted by local Rotarians. This is a standard and valued part of every Rotaplast mission. The success of the missions depends upon close cooperation and mutual support between the host Rotary club and the mission team. This celebration was notable for a slide show of our mission that brought the entire team to tears. We will leave the hotel for the airport Friday morning at 5 a.m. We are proud that surgical procedures were performed on 137 patients.

Our team leaves Guatemala with several important lessons learned. One has to do with team dynamics--this was an exceptionally cohesive team. We worked hard and smoothly and accomplished a great deal. Another lesson has to do with the Guatemalan people--their pride, diversity and rich tradition. Yet another lesson, universal in many Rotaplast missions, has to do with the fierce determination of parents, especially mothers, to protect their children and make their children's lives better.

For more information , go to - www.guatemala2009.com.

tor" on her fifth

**Rotaplast trip—this one to
Guatemala May 1 to 16.**

For efforts during Riverbend Vine-A-Thon

Ardmore Rotary Club wins Turkey Trophy

A team of Ardmore Rotarians and Main Line Rotaractors captured the first Riverbend Environmental Center Turkey Trophy as a result of the team's efforts at the April 18 Vine A-Thon 2009. In addition to pulling, cutting and removing the most invasive vines, the team planted the most trees and shrubs during the day. Gathered around the Turkey Trophy, which the team can keep until the 2010 Vine-A-Thon are (front, from left) Rotaractors Matt Gilbert and Elizabeth Grasing, Rotarian Josh Morin, Rotaractor Mark Fromhold and Aimee Morin; (in back) Grace Eppinger, Rotarian Bruce Eppinger, Nicholas Eppinger, and Rotaract Jamie Jun

(partially hidden). Vine-A-Thon volunteers on the three teams planted 200 native trees and shrubs including White Pines, Hemlock, Red Bud and Arrowwood Viburnum after removing the vines.

Ardmore Rotary installs three 'Honorary' Rotarians

Ardmore Rotary Club welcomed three 'Honorary Rotarians' at its May 7 meeting. Past president Wil Sandvik and president Jim Hall (right) present membership certificates to (from left) Lois Mamourian, reading mentor from St. Luke Lutheran Church in Devon; Ellen Lube, retired Meade School literacy coordinator; and Meade School principal Frank Murphy in recognition of their dedication in the Meade School literacy pro

gram. Ardmore Rotary has partnered with Meade School to mentor students in reading for 11 years.

Chester Pike Rotary Club honors three students

Chester Pike Rotary Club honored three students as Students of the Month for May. Displaying the certificates presented by president Brian Myers (in back) are (from left) Allison Anghel, Ridley High School senior; Chester Pike Nicholas Reubna, Interboro High School senior; and Devin Hunter, Academy Park High School senior. Allison Anghel who is taking AP and honors courses, is member of International Thespian Society and Players Club and will attend West Chester University and major in musical theatre; Nicholas Renna, who is regarded as one of the most improved students, has perfect attendance through-out his high school years, is involved in Drama Club and K-scope (High School TV broadcasting) and is a member of the Mummies, Murray's Comic Division; and Devin Hunter is ranked second in his class, is taking AP and honors courses, earned four var-

city letters in soccer, football, basketball and Baseball, is a member of the National Honor Society and plans to attend Franklin and Marshall College and major in pre-med/ biology.

Chichester Rotary Club salutes six students

Chichester Rotary Club honored two Students of the Month each for April, May and June. They are (from left) James Raiger, four-year member of varsity soccer and wrestling teams, played football, involved in community service and wants career in law enforcement. Emily Miller, one of top 12 students, played lacrosse and basketball, was selected for Chichester Athletics Coaches Award, 2nd team for Delaware Valley and Honorable Mention in Delaware County in lacrosse, is member of National Honor Society, Interact Club and volunteers at Crozer Chester Medical Center. Jessica Curlett has 4.3427 grade point, is member of National Honor Society, plays lacrosse and tennis, was selected for first team All Del-Val tennis team, is active in chorus and member of Future Business Leaders, Interact, Student Council, writes for school publications, and volunteers at her church, and with Special Olympics and Walk of Hope and will attend Dominican University of California. Molly Aron is member of National Honor Society, historian of Social Studies Honor Society, tennis team captain, won doubles title for Del Val League, manager of boys' tennis team, active in school productions and

Neumann College productions, editor of newspaper and yearbook, and Special Olympics volunteer. and will attend West Chester University to become teacher. Nicholas Chomnski ranked 19 out of 253 seniors, member National Honor Society, Social Studies Honor Society, football captain, Student Review Panel, yearbook staff, was counselor for Upper Chichester Summer Camp and will study finance at Penn State. Alon Evans is 33rd in class, member National Honor Society, president of Class of 2009, member cross country, track team and wrestling team, participated in Newman College productions, will attend Temple University to study criminal justice or political science.

Update on Annual Programs and Permanent Funds

By G. Holger Hansen, Regional Rotary Foundation Coordinator, Zone 32

Contributions to the Permanent Fund and the Annual Programs Fund are lagging behind last year, with Annual Giving still behind over 22% in Zone 32, except in three districts. Districts 7260, 7410, and 7470 are doing even or better than last year. District 7390 has already passed the \$77 per capita mark, and the Paul Harris Society eligible donors are continuing to make a big difference in the support of every district.

District 7450 has no non-giving, and I understand that several other districts were close to achieving that mark by the end of April. Many clubs listed as non-giving for the Annual Programs Fund, however, have made restricted gifts to Polio-Plus or to Matching Grants. Please work closely with your DRFC Chair and Annual Programs Fund chair in reaching out to the clubs to make their contributions to the Annual Programs Fund before the Rotary Convention begins in Mid-June. To Make Dreams Real DREAMS this year and in the future, we need to act now. The Annual Programs Fund is the heart that pumps all Foundation programs. In this economy, our support of the APF is essential. Club treasurers and Foundation chairs should not hold checks "until they have a few more."

Please remind them to send them in weekly. This will help prevent some errors that occur at the end of the year that TRF will not be able to correct before the books close and will make sure that their contributions are credited to the correct year. "May is the new June." The month of April is scheduled to close on 8 May 2009.

District Profiles

Several Districts have achieved 100% of the club Annual Giving goals previously submitted for the current year. But in most cases, those districts are far short of the \$100 per capita minimum that EREY (Every Rotarian Every Year) tries to encourage from every club of the world. Many of our districts did not have 100% of their clubs submit goals. Corrections and the additions of names depends upon the names that the DG or DGE submitted to Data Services at RI. Please contact Data Services to update those records.

Rotary's \$200 Million Challenge

End Polio Now is making progress, with over \$75.3 million contributed as of 1 April

2009. There are great fundraising ideas on the RI website and in the May edition of the End Polio Now Newsletter. Districts with unallocated DDF available for the 2008-09 year are encouraged to authorize additional transfers from DDF to the Challenge. Matching funds for the Challenge are still available from the World Fund, and the Trustees agreed at their April meeting that DDF contributions to the Challenge will be matched US\$.50 from World Fund for every US\$1.00 of up to US\$3 Million in 2011-12. All clubs are encouraged to set a goal of raising \$2,000 or more for the Challenge increase in their fundraising for the Challenge

2009-10 Goal Submission Deadline

Your club president-elects should have submitted their 2009-10 Fund Development Club Goals to the Governor-elect by now. They may be entered on-line by the DGE, or fax or e-mail them to Evans-ton as soon as they are received. They are the basis for announcing the 2009-10 Foundation goals at the Birmingham Convention and become the benchmark for your club performance in the district next year.

Member Access Data Services Down

The Member Access Portal database is being made more user-friendly later this month. Rotary International will begin updating its data systems to provide better service to Rotarians. The new systems will centralize RI's databases and lay the foundation for future enhancements to the Member Access portal.

Due to these updates, Member Access will be unavailable for updating club and membership data from Thursday, May 21, to Monday, May 25. Please send update requests to the Data Services Department at data@rotary.org

May you continue to "Make Dreams Real" by working to achieve your Rotary and Foundation Goals this year and in 2009-10, because "The Future of Rotary is in Your Hands."

Where's my newsletter?

If you know a Rotarian asking where his or her District Newsletter is, we are asking Rotarians who have access to computers and the Rotary7450.org website to take a few minutes and

print a copy (or two or three) of the newsletter and give them to the Rotarians) who asked the question.

are members in your club who are not computer savvy, we ask you to print copies and place them on the sergeant-at-arms table.

And if you know there

Thank you.
