

# District 7450 Rotary Leader

Volume 9 Number 2

August, 2014

## Message from DG Doug

I am in "full swing" conducting and very much enjoying my Official Visit to each of our 51 wonderful Rotary Clubs. If I am not on your Club's schedule, please contact me, your Assistant Governor or Sharon Quick. Anyone of us will help find a suitable date for my visit to your Club.

I have to say that the greatest pleasure of being Governor is the opportunity to visit with so many District Rotarians on their "home turf". It really is a joy to me.

Second, starting mid-August, our District Conference Registration will open for our Friday/Saturday, November 14-15, 2014 District Conference. This conference is being designed to give each of you and your Club the tools and techniques to have a more visible and satisfying presence in your local community and in the wider world.

A special feature planned for this year's Conference is the opportunity to participate in a "Stop Hunger Now" meal packaging session. We need to guarantee a minimum of 10,000 meals at a cost of \$2,900 at this event. I plan to seek voluntary contributions from Rotarian, Rotaractors, and Interactors in support of this effort. If any individual Rotary clubs wish to make a contribution to this project, that would be great.

Finally, about 40 of District 7450 Rotarians met RI President Gary C.K. Huang August 7, prior to a dinner hosted by District 7640 in Cherry Hill, N. J. President Gary shared his goals, concerns, and insights into "Lighting Up Rotary" through service, family, and fun with the group. We then proceeded to a Multi-District Reception and Dinner which provided plenty of Rotary Fellowship and Fun!

While President Gary is a Rotarian, just like the rest of us, he is a Rotarian who is devoting years of full time effort to strengthening and developing our world-wide service organization. He is a great salesman for Rotary while simultaneously being a serious thinker about the substance of our Rotary mission and the practical techniques for implementing our worthy goals.

I hope we can arrange a similar meeting with President Gary if he visits our area again during this Rotary year or with our 2015-2016 RI President R.K. "Ravi" Ravindran. We really are all in this together!

I continue to make weekly visits to the District clubs, sometimes two a day, and I am enjoying every minute!

DG Doug Blazey

The District Rotarians also attended a multi-district reception and dinner hosted by District 7640. DG Doug Blazey celebrates a successful ceremonial first pitch with the Phillie Phanatic. Rotarians sold 548 tickets to the game which raised \$4,932 for "End Polio Now" fund.

Philadelphia Rotarians celebrated prior to "Rotary Night at the Phillies" July 23 with a tailgate party. Among those on hand were (from left) Clifton Salas, Kelly and Joe Stroemel and Kelly's father, Kurt Stroemel, Adam Puff, David Gill (master chef of burgers and hot dogs), Katie Campbell and Bill Decker. The Rotarians dined on burgers and hot dogs, chips, wine pretzels, beer and soda before going into the ballpark for the Phillies game with San Francisco.

## Don Brown celebrated and celebrates 90th!

## Philadelphia Rotarians receive International Toast from Rotarian Mike Rand of Jerusalem Rotary Club

The USA Declaration of Independence was adopted by The Continental Congress in Philadelphia, Pennsylvania on July 4, 1776. Independence Day in the USA was therefore celebrated this past Friday, just two days after the Jerusalem Rotary changeover dinner. I was born in Philadelphia and it is with great pleasure that I propose this toast to this outstanding Rotary Club in that great historic city of my birth.

The Philadelphia Rotary Club is Club Number 19 in District 7450. It was organized on 30 November 1910 and proudly boasts of 100+ years of "Service above Self".

Of the 34,000 Rotary Clubs in the world, they were the 19th to be chartered. It has been the home of two Rotary International Presidents – Glen C. Mead (1912 - 13), the first RI president following the founder, Paul Harris, and also Guy Gundaker (1923 - 24). Over the many years since its foundation, many of the club members, over a dozen – have served as District Governors and RI Directors.

Literacy improvement efforts have been a key target of The Rotary Club of Philadelphia. Its distributions of thesauruses, dictionaries and atlases in recent years have

touched the lives of thousands of Philadelphia school children.

The Philadelphia Rotary Club has also funded a computer-assisted learning initiative at a Philadelphia school, has supplied books for several organizations' libraries, and has underwritten a summer writing camp as well.

### City of Brotherly Love

Opportunities to participate in community work projects, chaperone physically and mentally challenged citizens, and interaction with young people are regular activities for its club members. It is not unusual for Philadelphia Rotary members to be engaged in 10 - 15 different "hands on" service initiatives annually in the Philadelphia area.

The Philadelphia Rotary President for 2014 - 15 is Sandra Goldberg. They meet on Thursday at noon for lunch at the prestigious Union League located at Broad and Samson Streets in down-town Philadelphia, a very short walk from the well known Philadelphia City Hall.

We in the Jerusalem Rotary (Club) raise our glasses today in a toast to the Philadelphia Rotary Club and wish them another 100 years of "Service above Self."

## DG Doug Blazey inducts King of Prussia Rotary Club president

District 7450 District Governor Doug Blazey congratulates Barbara McMullan following her induction as 2014-2015 president of the King of Prussia Rotary Club by DG Doug last month as President-Elect Kevin Kataryneck (left) prepares to present the President's Pin to Barbara, who succeeded Thomas C. Hough, who served as 2013-2014 president.

## DG Doug shares mission during 'official visit' to Bensalem Club

DG Doug Blazey discussed the 2014-2015 Rotary Club theme, which is "Light Up Rotary," and what it means to him during his official visit to the Bensalem Club August 19 luncheon meeting. He believes that Rotarians are the ones who bring the "light" to everything they do in their communities and that it is imperative to every club's success that Rotarians find a way to share this "light" with other members of the community. By doing this, it will inspire other community members to join Rotary and help continue to spread the "light." Doug summed up his method for "spreading the light" with three words: "Serving, sharing and shining." Doug said he hopes that Rotarians continue to enjoy the fellowship Rotary provides while having fun and encouraging family and friends to become fellow Rotarians. He would like to create a family fun day to be held next summer at a local park to boost fellowship between local Rotary clubs and to introduce other community members to all that Rotary has to offer.

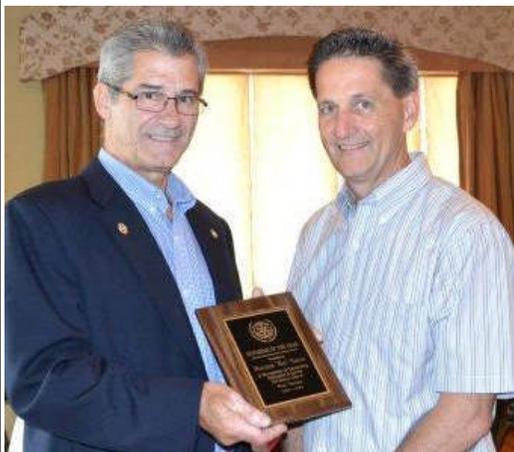

## WC Rotary Club names two Honorary Rotarians

Shauna Yeldell (right), chair of the Honorary Rotarians Committee of the Rotary Club of West Chester, presents plaques to newly named Honorary Rotarians Carla Messikomer and Father Al Concha. Messikomer was selected for volunteering over 20 years as a literary tutor in West Chester at the Chester County Family Academy (CCFA) and West Chester Friends School. She also developed the "Christmas in a Shoebox" program for CCFA children who need school supplies. In accepting the award, she did so on behalf of "the armies of good people who just meet a need...to make life better...please honor them all." Father Concha was born in Ecuador and was selected because of his commitment to the health, safety and welfare of West Chester's most vulnerable residents. He is the priest for St. Agnes Parish in West Chester and serves Polish, Ukrainian, Korean and Japanese immigrants, in addition to his regular congregants. He also offers services in Spanish due to the rapid growth of Hispanic congregants. He has helped his parish begin a five-year strategic plan called "St. Agnes ALUVE."

## WC Rotary Club: Neilon named 'Rotarian of Year'
